

PTC INSTRUCTOR COURSE AT DOW INTERNATIONAL MEDICAL COLLEGE, KARACHI

A one day Primary Trauma Care Instructor Course was organized on Friday 6th May 2011, at Dow International Medical College, Ojha Campus for selected candidates from previous provider courses at Dow University, Memon Medical Institute Hospital and Patel Hospital. Participants were selected based on their evaluation at the end of PTC Provider Course and faculty recommendations.

Dow International Medical College is one of colleges attached with Dow University of Health Sciences. A newly built hospital is attached with the college which has started out-patient and Radio-diagnostic departments.

The sessions remained interactive and the course was highly rated by all the participants.
