

## Post-course questionnaire for PTC Instructors

|                  |              |
|------------------|--------------|
| Name:            |              |
| Course Location: | Course Date: |

Choose from 1-5 for each section.

| Please say how well we fulfilled the learning objectives for the day?                                   | Very poor<br>1            | Poor<br>2 | Average<br>3 | Good<br>4 | Very good<br>5      |
|---|---------------------------|-----------|--------------|-----------|---------------------|
| To understand the PTC Course content & how we teach it  |                           |           |              |           |                     |
| To understand the theories behind effective teaching & learning   |                           |           |              |           |                     |
| To identify the skills we need to teach & learn effectively   |                           |           |              |           |                     |
| To apply these skills & knowledge to delivering the PTC Course  |                           |           |              |           |                     |
| <b>Please say how useful you found each section today to enable you to go and teach the PTC Course.</b> |                           |           |              |           |                     |
| Introduction  |                           |           |              |           |                     |
| Interaction, communication and learning   |                           |           |              |           |                     |
| How to give presentations: Lecture  |                           |           |              |           |                     |
| Discussion Group  |                           |           |              |           |                     |
| Teaching a skill  |                           |           |              |           |                     |
| Scenario  |                           |           |              |           |                     |
| How to run a PTC course   |                           |           |              |           |                     |
| <b>Do you feel confident to:</b>  | Not confident at all<br>1 | 2         | 3            | 4         | Very Confident<br>5 |
| Deliver a PTC lecture   |                           |           |              |           |                     |
| Run a discussion group  |                           |           |              |           |                     |
| Teach a PTC skill   |                           |           |              |           |                     |
| Run a trauma scenario   |                           |           |              |           |                     |

|   |
|---|
| What was the best part of the instructors' course?                        |
| What are three changes you plan to implement as a result of the training? |
| What should we change to improve the instructors' course?                 |
